IMAGINATIVE POETS

The Happy Sunflower

In the garden, tall and bright,
A sunflower shines with golden light.
Its yellow petals, big and round,
Turn to follow the sun around.

It stands so proud, so big, so high,
Smiling up at the blue, blue sky.
The bees and butterflies stop to see,
A flower so lovely, wild, and free.

With leaves so green and strong and wide,
It dances gently, side to side.
And when the summer fades away,
Its tiny seeds will fly and play.

The Little Parrot

A little parrot, green and bright,
Flies so high, oh what a sight!
With a red beak, sharp and small,
It sings and talks to one and all.

"Hello! Hello!" it likes to say,
Chirping, talking all the day.
It eats some fruits, so sweet and yummy,
And flaps its wings to call its mummy!

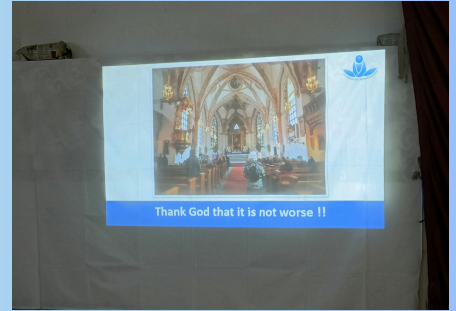

A happy bird, so smart and fun,
Playing, singing in the sun.
Oh, little parrot, full of cheer,
I love to see you flying near!
